

Upgrade your shade.

At QMotion® we continue adding features and advantages to bring you the most advanced solar shade technologies, designs, and capabilities. Some of the latest include:

- Larger tubes for larger shades.
- Better range and responsiveness.
- A removable fabric attachment system that allows for changing colors and styles.
- Extended battery life.
- Change the battery without taking the shade down.
- No exposed wires on battery shades.
- Also available with low voltage power.

The best ideas and products in the industry come from the constant pursuit of perfection. And that's why they consistently come from QMotion®

Change batteries simply, without taking the shade down.
